Social Involvement

26. Clive & Michele Human (Standing Together to Oppose Pornography)

We would like to give the Lord all the glory and thanks for the drop in the demand in all areas of the sex industry over the period of the world cup (between 60 to 80% down in some areas!). We truly believe it was due to much prayer as well as the heightened visibility of the SAPS. Please pray that this trend continues. Give Him thanks for the opportunities we have had to be on TV as well as on Radio to warn as well as to encourage and to offer hope. Pray for those who are in bondage to porn as well as for those who are, in increasing numbers, coming forward to ask for help. Pray for the establishment of a group for the 'victims' or spouses which is sorely needed. Once again thanks for all the prayer and support. For a more detailed newsletter please e-mail request to stop@stop.org.za Thank you.

4. Pauline Clothier (MTI Cambodia)

Praise God for all the outreach that happened while the soccer world cup was in SA. I pray that many were reached for Christ. I have had telephonic contact with the widower of Soknow (my friend who passed away in may). He and his daughters have hope in Jesus Christ and believe that they will meet Soknow in heaven one day. This is an answer to prayer as Soknow's husband did not know much about Jesus when I met him in November 2009. Praise God for this family and continue to pray that they learn more about Jesus. Also pray for daily provision of their needs. Praise God that OM has agreed to meet with me in Pretoria at the end of July. After closure, my supporters and I will pray into the way forward. Pray for patience and wisdom for me and for blessings on all involved.

5. Karen Daniels (Logos Hope)

Praise the Lord for the donations received for the set-up of a presentation stand to be used through Europe for our conferences. PTL for providing me with a new spiritual home—I have found a Pentecostal church with a similar vision to MBC. Please pray that my residency permit will be issued soon and that I will find a suitable apartment as the one I am using is used as the team base which provides little privacy.

6. Roy & Rosemary Hickson (N Africa/Mid East)

From mid May we will be in Greece until early July, returning to the islands where we ministered in 2005. This is a very different type of ministry, as the people consider themselves to be true Christians and we are viewed as heretics. They need open hearts to the message of salvation through Jesus Christ alone. Please pray for: Divine Appointments with people whose hearts and minds the Holy Spirit has already prepared. Pray for our protection from the authorities. Our sensitivity to what to pray and declare in all these areas.

7. Robert & Trudi Hudson (Hong Kong)

Please keep on praying for us as we prepare for our move to the Philippines, our visas, support raising and that we walk closely with God. We will pack up our home on Friday the 2nd of July. We both are looking forward to our visit to Bloemfontein and later Cape Town. We fly back to Hong Kong on 30th July and then to the Philippines on 9th August.

10. Bryan & Sharon Telford

What an incredible time we have had in Cape Town! It has been great to spend time with our family, friends, supporters and to be a part of all that MBC is doing! On the 22nd of July we travel to Pretoria and on the 29th of July to Turkey. Saying goodbye to our family and friends in Cape Town is never easy, and actually more difficult now, as we know the girls will miss them so much. Please pray for us all as we say those hard goodbyes. The flight back to Turkey on the 29th of July is a long one. Please pray with us that the girls will sleep during this night flight! 10 days after arriving in Turkey, we leave for Baku, Azerbaijan to take part in a 2 week church planting course. We are excited at this next step that God is leading us onto and we are looking forward to learning a lot about church planting! With all the transitions and

travels that face us in the next month, we are asking God to carry us through all the changes. We are looking forward to hearing about how God has been at work in Turkey in these last 2 months...and excited to see what He is going to do!

PRAISE the Lord for the way He worked during the Life Champs Camps during the World Cup. 17. Adrian and Roanne Jansen (IntoAfrica)

Only a few days to go before our baby girl arrives! Our little girl is due on the 19th July. So, we are very excited and nervous all at the same time. Things have been very busy for us with teams going out, visiting the teams in the field and having them come back for debriefing, as well as preparing for baby. Thank you to all who have done so much for us over the last few months. It has been amazing to feel the love and support we have been surrounded with during this time. There has been a definite improvement in the last few weeks.

19. Dinesh Nevins-Selvadurai / Mark Slessenger (Ambassadors in Sport)

Precious who has XDR-TB in the prison has shown signs of improvement so we thank God for his healing hand on Precious at the moment. We are still trying to get Precious on Medical Parole which is proving difficult, we believe Precious has the human right of proper medical treatment and care in his current situation. We would appreciate prayer for wisdom on how to approach this matter with the prison authorities.
